

12U Games played on American Football Fields

Area 1C will occasionally schedule a 12U game on a stadium field as a proactive measure when rain is forecast. In that case, the field is set up as follows:

- The American football sidelines are the touchlines
- The goals are placed on the American football 10-yard lines
- Corner flags are placed at the intersection
- Penalty Area is the 28-yard line and the extension of the marked Penalty Area
- Goal Area is the 6-yard line and the hash marks.
- Penalty mark is eyeballed at the 22-yard line, middle of the goal.
- Cones are set on both sides of the field beyond the touchline at the 28-yard line and the 16-yard line.
- Center circle stays the same
