Referee Assigning Information  
Under-19 and Under-16 Upper Division Play  
Fall Season, 2021**

**Assigning Instructions for the 2021 Upper Division Season**

The following is a general outline of the assigning process for the 2021 Upper Division Season. Individual Assigners may differ from this process and of course, assignments made close to game time require skipping many of these steps. Each field is associated with an Area 1-C Region. Volunteers from those Regions will have preference provided their qualifications meet the game requirements, and they indicate their interest timely to the game date. In addition, referee volunteers whose names have been submitted to garner Referee Points for their Region will also have preference. Every volunteer has been ranked according to Area and Region evaluations of their abilities and games they are approved to referee or assist. These rank numbers should correspond to the game difficulty evaluation that is established by Area.

**Steps**

1. On Arbiter, review the Master Schedule tab on the Schedule page to identify dates and specific games you are interested in. Take the initiative and send an email to the assigner (see page 2) for that game, indicating you are available.
2. Assigners (list on Page 2 and at [www.ArbiterSports.com](http://www.ArbiterSports.com)) will send out email requests for interest several weeks in advance.
3. If you are available and interested in working as a referee or assistant, please respond to the Assigner's request as soon as possible. Please continue to indicate interest for upcoming dates and games as your personal schedule becomes known to you.
4. Provided your interest is noted within three days of the Assigner's email, preference will be given to volunteers from the Region providing the field.
5. Assigners will contact nominee Referees and ARs via phone, personal email, or Arbiter email.
6. Nominees will generally have two days to accept or decline any assignment.
  - a. If you decline an assignment, you will be "blocked" from other Upper Division games that day. If you have a specific issue with the assignment, you should communicate it to the Assigner in the form that pops up.
  - b. If you accept the game, the game will show in your Arbiter schedule and you will receive a reminder email 2 days prior to the game.
7. Approximately 3-5 days before the game date, games may be placed on "Self Assign". Games on Self-Assign will be visible to volunteers based on the game difficulty rank and your Arbiter rank. These games can be viewed by clicking "Self Assign" on the Schedule page.

**Game Difficulty Ranking Default (Some games may differ)**

<u>Division</u>	<u>Maximum Rank to self-assign</u>
Boys 19	140
Girls 19, Boys 16	200
Girls 16	250
